Ethereal

Bone China

Simply beautiful and supremely versatile, this ultra-modern fusion pattern draws on a Wedgwood tradition of taking inspiration from nature. In the past this would have meant leaves, vegetables and fruit. In abstract Ethereal the natural source is open to your own interpretation: wind ruffling the surface of a still pool, the grain of wood, a tropical leaf, a Japanese sand garden?

Plato

Bone China

A very up-to-the-minute take on traditional tableware, Plato consists of three shapes - coupe, rim and square - allowing you to mix and match your plates and bowls to suit any type of cuisine, from classic British to fusion. Plato provides everything you need to recreate your favourite restaurant experiences in the comfort of your own home as well as adding that elusive wow factor to your dinner parties.
